

# Super Stegosaurus

Add some colour to this Stegosaurus.

**Dino fact!**  
 A Stegosaurus's spikes were flat bones called **plates**. It's thought they helped it to scare away other dinosaurs.

**GIZMO REPORT**

**Stegosaurus**  
 steg-oh-sore-us

**Size**

**Food** plants

**Type** dinosaur

**Special feature**  
 spiky back

Wow!  
 Look at all those **spikes** on its **back**.
