

# DESIGN A COVER!

Roald Dahl's story **THE GREAT MOUSE PLOT** is a terrifically true story about Roald Dahl when he was a **BOY**. Every day Roald and his friends used to walk past a **SWEETSHOP** filled with sticky **TOFFEES** and **GOBSTOPPERS**, but there's just one problem – the horrible hag Mrs Pratchett who runs the shop. One day the boys find a **MOUSE** and decide to **TRICK** her . . . but we're not telling you what happens next.

Now use your **IMAGINATIONS** to **CREATE** the most **COLOURFUL**, phizz-whizzing World Book Day cover **EVER!**
