

AQUANAUTS

Water Cycle Comic

Try this creative activity to illustrate the journey of a water droplet through the water cycle while raising awareness about water conservation

Steps

1. Draw a comic strip about a water droplet's journey through the water cycle.
2. Include evaporation, condensation, precipitation, and collection.
3. Add speech bubbles to make it fun and engaging.

You will need

- Paper and markers
- Ruler

Helpful tip

Use bright colours to make it visually appealing.

Include tips for saving water in each stage of the cycle.
