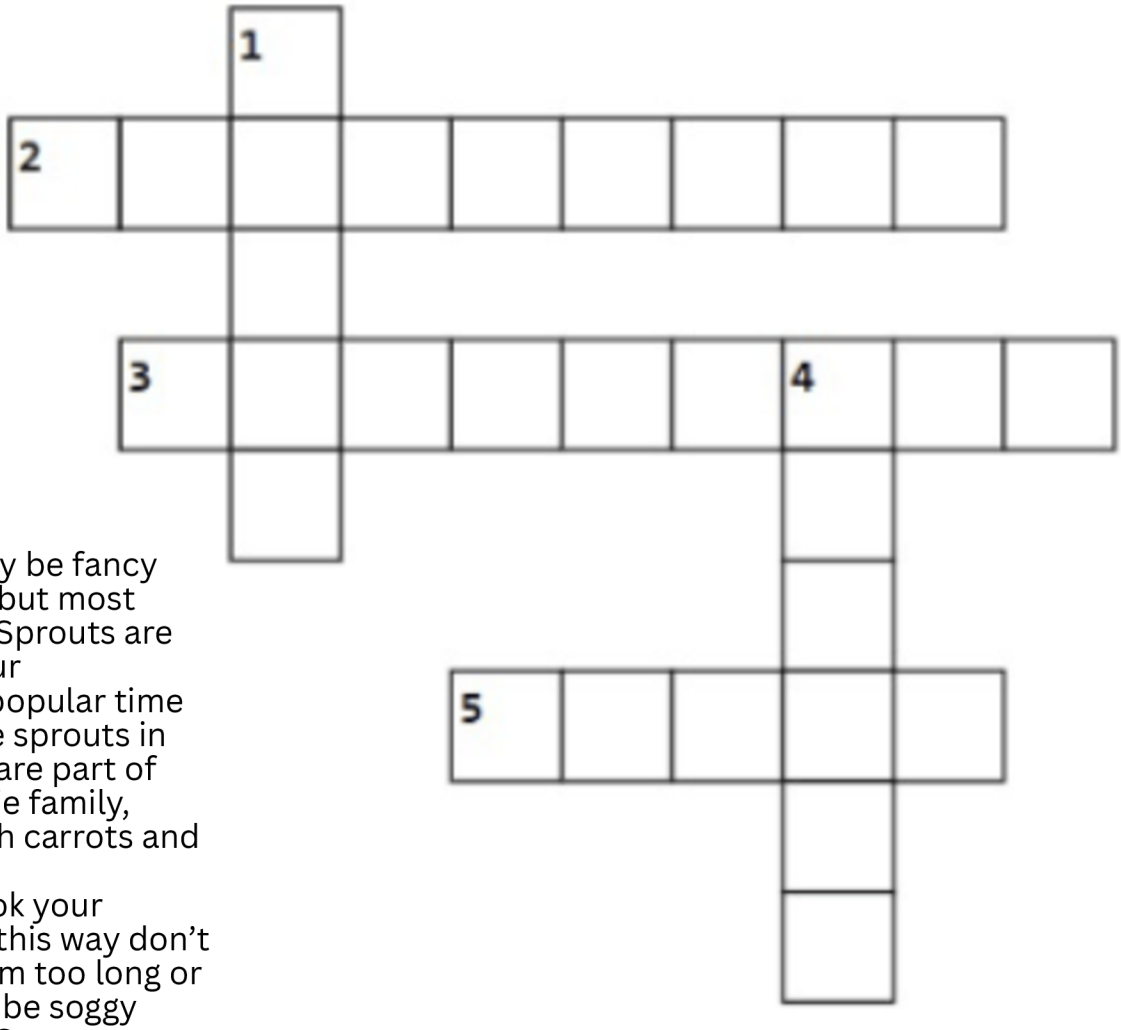
Can you solve this Brussel Sprout Bamboozler?



1. There may be fancy varieties but most Brussels Sprouts are this colour
2. This is a popular time to get the sprouts in
3. Brussels are part of this foodie family, along with carrots and potatoes
4. If you cook your Brussels this way don't leave them too long or they will be soggy
5. Brussels Sprouts grow on this when they are in the ground

The Fruit & Root Crew are exploring seasonal fruit and veg with Morrisons!
